

BUILDING INTERNATIONAL COLLABORATIVE RESEARCH ON DRUG ABUSE

2018 NIDA INTERNATIONAL FORUM

JUNE 8–11, 2018 | SAN DIEGO, CALIFORNIA

AGENDA

**National Institute
on Drug Abuse**
The Science of Drug Abuse & Addiction

Welcome to the 23rd Annual NIDA International Forum

We are delighted to convene the 23rd National Institute on Drug Abuse (NIDA) International Forum. Each year, the Forum attracts outstanding researchers from around the world to share updates on emerging trends in drug use, research advances, and mechanisms to promote and implement evidence-based drug policies and interventions.

The Forum is truly a community event, and we thank our colleagues who provided support for speakers and poster presenters:

- ❖ College on Problems of Drug Dependence
- ❖ Inter-American Drug Abuse Control Commission of the Organization of American States
- ❖ International Consortium of Universities for Drug Demand Reduction
- ❖ International Society of Addiction Journal Editors
- ❖ NIDA Center for the Clinical Trials Network
- ❖ U.S. Department of State Bureau of International Narcotics and Law Enforcement
- ❖ University of California, San Diego
- ❖ University of Miami
- ❖ University of Pennsylvania.

More importantly, we thank you, the participants, who bring unparalleled expertise and dedication to understanding the causes, consequences, prevention, and treatment of drug abuse and addiction around the world.

Steven W. Gust, Ph.D.
Director, International Program
